

GAITED EXPERIENCE

REGISTRATION FORM

2014 Gaited Experience topic will cover benefits through training, basic seat utilized on the walker and why it's vital to achieve the best gait. Techniques to gain a more responsive horse. Techniques to build riders skill. Workouts to build horse response to rider and instruction for riders in utilizing position and aids during workout. Working the three gait, transition work and why finishing touches are so important (during clinic you will be evaluated and given instruction for rider to further training and horsemanship skills) Please bring the bit you show in and ride in as well as a snaffle bit Thank you.

Clinic will be located at Neitak Equestrian Stables, Stony Plain. Please contact Grace Adams at 780-727-3977 or 403-318-0799 (cell) for directions.
